

**Seven Oaks School Division invites applications for the following position:**

## **BROADCAST MEDIA TEACHER**

Start Date: September 6, 2022

### **Position Description**

The Broadcast Media program at Maples Collegiate is a dynamic, cutting-edge learning environment with a focus on 4 core areas of media development. Students in the program focus on concepts in studio production, electronic news gathering and field production (ENG/EFP), Short film/ documentary production, and live multi-camera production. The successful candidate will have demonstrated skills in all four core areas as presented by the curriculum.

### **Required and Preferred Qualifications**

The candidate will possess the following skills and mindsets:

- Post Secondary certification in Broadcasting, Digital Media or A/V Production required
- Permanent Teacher Certificate or eligible for Limited Teacher Permit required
- Demonstrated teaching experience and/or instructor training required
- Firm understanding and experience with experiential education, project-based learning, and studio environments
- Strong understanding of processes in design and planning for both single camera and multi-camera productions
- Knowledge of film and broadcasting theory in lighting, sound, story and script development, storyboarding, visual effects, audio effects, and post-production workflows.
- Strong skills in video editing in a mixed Windows PC and Mac environment. Preferred experience in the Adobe Suite of applications
- Understanding of live multi-camera video production and current video switching systems (Software based), graphics systems, and replay systems
- Understanding of video production hardware such as tripods, microphones, convertors, splitters, and encoders
- Strong skills and knowledge of camera systems ranging from DSLRs to prosumer class broadcast camera systems
- Knowledge of current broadcast video protocols and standards (Both conventional and network based)

The following skills and knowledge are considered assets:

- Industry experience in film/broadcasting
- Understanding and working knowledge of small networks
- HTML, CSS and Web programming skills
- Video and audio cable fabrication, repair, and maintenance
- Understanding of Mac Operating systems

**Applications should include a cover letter, resume and three (3) references.**

Please apply on-line through [applications@7oaks.org](mailto:applications@7oaks.org)

**APPLICATION DEADLINE: Friday, June 10, 2022 at 3:00 p.m.**

The Division will be pleased to accept all applications, however, only those candidates selected for an interview will be contacted by e-mail.

*This position requires a current satisfactory Criminal Records Check (including Vulnerable Sector Search), Child Abuse Registry Check and Adult Abuse Registry Check as conditions of employment. The successful candidate will be responsible for any service charges incurred.*

Seven Oaks School Division is committed to building an inclusive and diverse workforce. Reasonable accommodations are available for any candidate who may experience barriers during the interview and assessment process. Please contact Human Resources to arrange reasonable accommodations.
