September 4, 2024

### **Dear Families of Seven Oaks School Division,**

I hope you all had a wonderful and restful summer. As we embark on the 2024-2025 school year, I am delighted to welcome back our returning students and extend a warm greeting to those who are new to our community. We are excited to have you with us and look forward to a year filled with learning, growth, and success.

This year, we are thrilled to introduce a more robust, universally accessible school nutrition program, made possible by enhanced funding from the Province of Manitoba. This program is designed to ensure that every child has access to nutritious snacks/meals, which are essential for their academic and personal development, fostering a school community rooted in care and belonging.

In addition to our nutrition program, we continue to offer free lunch supervision, no-cost field trips, and no-cost band instruments, along with low-cost school supplies. We are committed to providing the best opportunities that public education has to offer, both in and out of the classroom. Every child deserves the chance to thrive, and we are dedicated to making that a reality.

The teachers, support staff, and administration at Seven Oaks are devoted to your child's academic success, well-being, and sense of belonging. Our staff is committed to collaborating with you, our families, to ensure an exceptional school year. We encourage you to connect with us anytime, whether you have questions, concerns, or simply want to introduce yourself. Your involvement and feedback are invaluable to us, and we look forward to our continued partnership.

Sincerely,

Tony Kreml  
Superintendent  
Seven Oaks School Division
