To: James Nisbet and École Templeton Community School Parents and Guardians:

Last night the Board of Trustees received the school division administration's report on the École Templeton/James Nisbet Community School consultation. The full report and recommendation can be accessed on our website at:

<https://www.7oaks.org/Documents/Board%20Report%20Templeton%20Nisbet%20Consultation%20Results.pdf>

The Board of Trustees passed the following motion:

"That École Templeton remain a K-5 Milieu French Immersion School. That James Nisbet continue to transition to a K-8 English Program School. That Ambergate residents be offered the option of registering their children at Amber Trails Community School."

On behalf of the Board of Trustees, I would like to thank the many parents and community members who participated in the consultation process.

Residents of Ambergate who would like their child to attend a neighbourhood English program school now have the option to attend Amber Trails Community School. Staff at École Templeton and James Nisbet Community School can assist families with registration at Amber Trails.

Please note:

- The division will continue to provide transportation to James Nisbet for Ambergate residents. Transportation to Amber Trails will be provided if the distance to the school exceeds 1.6 kms.
- The division will provide adult supervision for students crossing Pipeline at Templeton.
- The division is also launching a Punjabi Bilingual program at Amber Trails in September 2023 and is accepting registrations for Kindergarten, Grade 1 and Grade 2 students. There will be an open house for the program on March 14<sup>th</sup> at 6:30 p.m. at Amber Trails Community School.

Sincerely,
