

## PAYMENT OF ACCOUNTS

In accordance with the provisions of the Public Schools' Act, the Secretary-Treasurer has the authority to pay the accounts authorized by the School Board that are payable by the Division and that have been included in the estimates of the Division for the year in which the account is payable.

Further to the provisions within the Public Schools' Act, the Board authorizes the Secretary-Treasurer to pay all accounts that are payable by the Division under the following conditions.

- The expenditures are within the budgetary estimates approved or special motions passed by the Board for the year in which the account is payable.
- The account is for goods or services purchased in accordance with the purchasing policies and procedures approved by the Board.
- Expenditures that are not within approved budgetary estimates or incurred in accordance with approved policies and procedures shall be reported to the Board at the earliest opportunity and shall be approved by Motion of the Board.
- Expenditure listings will be provided to the Board as information at their next regular board meeting.
