

Career Ready

Where the **community** becomes the classroom

Our Career Ready programs offer the advantages of education and experience — and those advantages can mean the difference between just getting a job and launching a successful career.

Through our partnerships with various local businesses you'll apply your classroom knowledge on the job, working with and learning from industry professionals.

If you're currently in high school, a recent graduate or even an adult learner, this program could be an important step towards a rewarding career that will last you a lifetime.

For more information contact your school counsellor or any of our high schools.

SEVEN OAKS
SCHOOL DIVISION
community begins here

you can do it

Plumbing and Pipe Trades is open to anyone who meets the requirements:

- Interest in working in the pipe trades
- Completion of grade 11 core courses (done in semester one of grade 11 year)
- Completion of a Career Ready application form
- Presentation of a certified transcript of marks, cover letter, reference letter, resume and fee if applicable
- Participation in an orientation

Individuals who have completed grade 12, are an adult learner or reside outside the division are encouraged to submit an application. A registration fee may apply depending if you are a graduate or live out of Seven Oaks School Division catchment.

all in a day's work

You will spend time in the classroom learning basic skills, Plumbing and Pipe Trades theory and acquiring safety and trade certifications. This is followed by practical hands-on work experience, which will allow you to participate in the Plumbing and Pipe Trades field.

Under the guidance of certified Red Seal instructors and the experienced workers of our partner contractors, you will acquire and demonstrate skills such as:

- Perform daily safety inspections
- Follow safe work procedures
- Perform basic Plumbing and Pipe Trade skills
- Demonstrate employability skills
- Design, layout, measure and assemble piping
- Problem solving, trouble shooting and logical thinking
- Awareness of ergonomics in Pipe Trades
- Be able to work independently or as a team
- Follow ethical and legal standards in Pipe Trades
- Be adaptable to an ever changing industry
- Communicate with peers, instructors, employers and customers
- Become adept at using the National Plumbing code and all Piping Trade standards

hit the ground running

If you like to work with both your mind and your hands, enjoy careful calculations and precision work, then we can help you gain the skills and experience you need for a rewarding career in the pipe trades.

Upon completion of this program you will earn eight high school credits and may acquire Level One plumbing accreditation with Apprenticeship Manitoba. In addition to that you will become certified in CPR and various safety training programs.

Our Career Ready programs maintain an excellent record of helping students gain full-time employment upon completion of the programs.

Don't miss this exciting opportunity – apply now!

plumbing and pipe trades

Plumbing and Pipe Trades introduces you to a variety of career opportunities in the plumbing and pipe trades.

Whether your interest is plumbing, pipe or gas fitting, pipeline work, sprinkler installation or HVAC, this hands-on Career Ready program can lead to Level One plumbing certification and direct employment as an apprentice.

We provide a combination of technical training and on-the-job work experience so that potential employers need not worry about your level experience – you will come to them prepared to work. Employment opportunities are many, varied and financially rewarding.

Seven Oaks School Division will offer this program in partnership with PITC. The program will be taught in a state of the art facility.
