Summer Wrap Up 23

Rotary Leadership Circle is a six-week, 60-hour program hosted throughout July and August. The program focuses on community engagement and skill building. Youth leaders were tasked with community clean-ups, gardening, volunteering, and resume workshops. Youth aged 13 & 14 are eligible to apply for the program for Summer 2024. Please visit the KYAC and MYAC website for an application.

Employee Spotlight

KYAC and MYAC would like to acknowledge Jagtar Saka, one of many fantastic Youth Activity Workers that enjoys facilitating programming. Since Fall 2021, Jagtar has excelled in his coaching of technical skills in lead roles with sports programs including Racquet Nite, Volleyball, Basketball and most recently as our Rotary Leadership Site Supervisor.

Jagtar is always willing to help solve problems and has assisted with program data analytics, construction of our Pedal Car program and Escape Room design, and most recently minimizing waste by utilizing our badminton stringing machine.

Jagtar in his second year is currently studying Engineering at the University of Manitoba.

Jagtar currently assists on Saturdays at Edmund Partridge with Badminton and Basketball.

Thank you Jagtar for all that you do for our Maples and Kildonan communities.
