September 2024 Newsletter

Dear Collicutt Families

It has been a great start to the school year. We are so grateful to all be back together again. Our Community Get Together this week was amazing. The rain slowed the start of our celebration but didn't dampen the spirit of community. There are a few upgraded initiatives that we want to share with you with regards to the upcoming school year. With our new Universal Nutrition funds, we will be able to provide students with greater variety in our classroom snack bowls and we are planning regular hot lunches (free of charge) for our students throughout the year. We are also partnering up with the [Kids in the Know](#) program to better educate our students in making safe choices in school and out in the community. Welcome back!

Jamil Mian

Principal
