

REPORT TO THE COMMUNITY

EP 2021-2022

EP Community School 1874 Main St. Winnipeg, Manitoba

Ep is located on ancestral lands, on Treaty One Territory. These lands are the heartland of the Metis people and the traditional territory of the Anishinaabeg, Cree, Oji-Cree, Dakota, and Dene People. We also acknowledge that our water is sourced from Shoal Lake 40 First Nation.

Mission Statement

At EP:

We believe in the dignity, value, and worth of each individual, and strive to create a democratic and caring community that cultivates curiosity and actively works towards equity, anti-oppression, and reconciliation. Our goal is to create conditions for all students to engage in purposeful learning and experience meaningful success in order to achieve a sense of self-worth and contribute positively to the world around them. We actively seek to understand the complex and rich identities of self and other.

We are stronger together!
