

Education for Sustainable Development

We are moving towards becoming a ‘paperless’ school. In place of newsletters, we use email, our website, and Instagram to keep both students and families up to date on what is happening at the school. Families - please keep us updated on **your current email address** as emails are sent on a regular basis. Please see our website for the following important information: Report to Community, Important Dates Calendar, and the Divisional Calendar. We are also on Instagram and it is regularly updated with important information. Please like and follow: www.instagram.com/exchangemetschool

As ESD is a key component of our school plan, and in an effort to become a more sustainable school, we encourage the following from our student body:

- No plastic water bottles
- No plastic bags
- Garbage-free lunches
- Create no waste
- No Styrofoam!
- Composting
- Reduce, Reuse & recycle
- Use natural light when possible
- Biking/walking to school and community-based learning
- Use of public transportation for leaving to learn opportunities

School Supply List

- Scientific calculator – Sharp DAL (approx.. \$15 @ Staples or Wal-Mart)
- 1 pkg of loose-leaf paper & 1 pkg of graph paper
- Pens, pencils, markers, pencil crayons, ruler, tape, glue, scissors
- USB Memory Stick
- Active living clothing and indoor running shoes
- Refillable water bottle
- A student agenda/app to manage due dates & internships
- Students are encouraged to bring their own device where possible (chromebook/laptops)
