

## Exchange Met School 2023-2024 Fundraising

This year Exchange Met School students will have the opportunity to participate in fundraising campaigns that span the school year. Families can choose to fundraise in any or all of the options. All fundraising profits are held in student accounts to be used for school trips, athletic team equipment, grad dinner and dance tickets, and school clothing. To participate in the fundraisers, families can check out the monthly e-mail, stay tuned on Instagram or see their teacher advisor at school.
