

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Friday Announcements – December 6

Day 6

- BSU is meeting today in room 204 West. All of those that want to help with the fundraiser need to attend.
- Our very own GC grade 10 choir will be singing at the Legislative Building this Saturday, Dec 7th for their Holiday Open House. They will be taking to the grand staircase from 1:15-1:35 pm - Bravo!
- Dec 6th is the National Day of Remembrance and Action on Violence Against Women. It has been over 30 years since the murder of 14 young women at Polytechnique Montréal on December 6, 1989. This act of violent misogyny was felt by many Canadians and led Parliament to designate December 6 as The National Day of Remembrance and Action on Violence Against Women. Today is not simply about remembering the 14 who were killed in the Montreal Massacre, but it is about remembering others who have been harmed by gender-based violence. If you would like to wear a white ribbon there are some available in the main office. For those students who attended the Moose Hide Campaign last year, wearing your Moose Hide pin also shows that you will stand for a school and community free from gender-based violence.
