May is Better Speech & Hearing Month!

Here are some fun ways to support growth in speech and language...

1. Describe your day using the words "first", "next", "then" and "last" in your story.
2. Make up silly rhymes.
3. Talk about animals that are big and little.
4. Find 5 items that are the same colour.
5. Look for 5 items that have the same beginning sound (i.e. marble and mom).
6. Name a person, place or thing that begins with every letter of the alphabet.
7. Make a craft or follow a recipe and talk about the steps involved.
8. Play "I Spy" using a variety of descriptive words.
9. Read a story together and then talk about what happened.
10. Look out the window and name/describe what you see.
11. Look at some family photographs or videos together and talk about the events. Try using the phrase "remember when..." while reminiscing.
12. Close your eyes and name all of the sounds you hear.
13. Go for a "listening walk" and talk about the sounds you heard.
14. Talk about the weather and draw a picture about the weather for today.
15. At the grocery store talk about the different foods you see. Talk about which ones are fruits and which ones are vegetables. What colour are they? Are they big or small? How do they smell? How do they feel?

Did you know... that your child's school has a Speech-Language Pathologist on staff? If you have any concerns, talk to your child's classroom teacher.

Remember to wait after you speak to give your child plenty of time to take a turn.
