REMINDER-

We are still collecting tabs to support students who need adapted bikes and wheelchairs. **Remember to** “pull and drop” in the office.

PLEASE be reminded that classes end at 3:30 and that children should be picked up promptly at 3:30.

We are asking for your help to ensure the safety and whereabouts of all of our students. We have increasingly encountered voicemail boxes that have not been initialized by the plan holders when we call for attendance call backs or in the case of illness and/or emergency. Voicemail boxes that are full pose the same challenge. This does not allow us to leave a message to communicate important information regarding your children. Your cooperation in this is greatly appreciated.
