Halloween Howl

We are so happy to report that our Halloween Howl was a huge success! The children and the families all had a great time and we were able to raise \$435 for future school projects!

We would like to extend an enormous heart felt thank you to all of the families who helped to organize and support this event! Without all of your support, none of this would have been possible.

Please keep your eyes open for upcoming events put on in conjunction with our wonderful Community Council. If you are interested in attending a future Community Council meeting to join in all the fun, please look for upcoming information in regards to dates and times! (Our next meeting is Thursday, November 14th at 6:00)!

Dear Governor Semple School Families,

We have been experiencing an increase in students arriving late to school and being picked up late after school. Please remember these important times in our school day to ensure that disruptions in learning are minimized and students are properly supervised when here :

8:55 - First Bell (Entry)

9:05 - First period begins (Teachers are expected to have attendance done by this time so it is important that children arrive and are in class before this time)

10:40 - Nutrition Break

10:55 – Recess

11:30 – Kindergarten Pick Up

1:00-1:55 - Lunch

3:30- End of day (**Children should be picked up by 3:30**)

Thank you!

REMINDERS

The cold weather is coming! Please make sure that you are helping your child/ren dress appropriately for the weather. Children should have:

- *Mittens/gloves Ski pants*
- *Toques Boots*
- *Jackets*

Please also consider sending extra mittens and socks so children have dry options if their first pair gets wet.

- A reminder that Governor Semple still collects tabs from the tops of aluminum cans. These tabs are donated to schools in the division who are working towards helping build equipment for children in need.
- We are also still collecting batteries to be recycled!
