Dear Maples Families,

Please click the link below to view our annual Report to the Community, wherein we highlight the accomplishments of our students and the many wonderful successes we have achieved as a community of learners. Although the entire school year wasn't quite back to our former version of normal, we have so much to celebrate!

To our graduating class of 2022, we love you and wish you all the success you deserve in the future. It was so fun to be able to celebrate the end of your high school experience with a wonderful dinner and dance, our first since 2019!

To returning students, we hope you have a safe, healthy, and relaxing summer. We look forward to seeing you back at school in September.
