August 28, 2024

Dear Margaret Park School Families,

Welcome to another exciting year of learning and growth. I am excited to welcome both returning families and those joining our school community for the first time.

I look forward to getting to know each and everyone of you and watching your children's growth and development throughout the school year. I also look forward to building strong connections with all the families here at Margaret Park School.

Open communication is encouraged between home and school. Look for our monthly newsletters and feel free to contact us at any time.

I am excited to see the amazing things our students will accomplish and grateful for your support in making this school year a success.

Here's to a fantastic year ahead!
