

Scene 2 - Ms. Johnson's class

1. Jfer: Ready, set, now here I go! I dive into my bed.
I snuggle in, with sheets and blankets pulled up to my head.
2. Zahria: I hear the wind outside my door, it whispers through the trees,
It makes me think of far-off lands, like castles in the breeze.
3. Hope: But then I hear a soft “click, click,” my nightlight's glowing
bright, It casts a friendly, golden glow that makes me feel all right.
4. Link: With my fuzzy socks on my feet, they are nice to feel. I love my
new pajamas too, and that's a very big deal!
5. Emersyn: The blanket's warm, my pillow's soft, I feel so snug and
tight, I close my eyes and drift away, I'm ready for the night!
6. Emmett: I know that I am safe and sound, with family not far,
The night is peaceful, calm, and quiet, just like a little star.
7. Ekam: Just one more glass of water? Just one more book to read?
Just one more hug is really all I need.
8. Leanne: And when I'm through with mom and dad, with hugging and
with kissing, I'm tucked in tight but then I notice, there is something
missing!
9. Marly: You gotta have a doll, a blankie, lovey or a teddy.
Where'd it go? Oh, here it is! Okay, then — now I'm ready.
10. Fatehbir: The room is still again, the world outside is wide,
But in my bed, with all my friends, I know I'm safe inside.
