“Working, learning and growing together”

Spring is just around the corner!!! As the weather changes and winter begins to thaw, we'll continue to remind students about appropriate outerware. Keep an eye out for sales on rubber boots!

Our next PAC meeting is March 7th at 6pm here at the school. Parents are welcome to join us for planning of hot lunches, special events and fundraising opportunities. We continue to collect funds for our playground greening project and are eager to get the next phase started!

Student led conferences (March 14 in the evening and March 15 during the day) is a time to celebrate student learning and progress! Please look for information about report cards and booking your conference with classroom teachers soon.

We'd like to ask parents to remember to check into the office during the day if you need to connect with your child, even if it is recess time. Our staff continue to try to be diligent about non staff and non family adults who may come to the school or playground. We always appreciate your partnership for safety. Please also use the front doors during the day as alternate doors will be locked during the school day.

Our love for reading continues even though I LOVE TO READ MONTH has finished. We had a busy and exciting month full of fun activities, many wonderful guest readers, an awesome pancake breakfast and hot lunch put on by our amazing PAC and lots of great parent volunteers and a transformed library that helped us pretend to escape the cold of February! Thank you to the I LOVE TO READ committee and Ms. Chilelli who organized a great time! Our book celebrations continue this month as we celebrate the 50th anniversary of Eric Carl's The Very Hungry Caterpillar!

SPRING BREAK 2019 – March 25th to March 29th.

School will re-open April 1st, 2019. We hope that everyone has a fun and restful time!

Kindergarten Registration is now OPEN!

Please visit the school office to register your child born in 2014!
