Farm to Table Fundraiser – ON NOW!

We also thank our PAC for setting up this year's first fundraiser. We are currently holding a **Peak of the Market "Farm to Table"** fundraiser for our playground greening project. In the past, funds have been used to renew our playground with trees, communal space and playground features. More plans are in the works and we appreciate your support with these efforts to improve our playground.

With the Farm to Table fundraiser, you are able to order fresh produce from Peak of the Market and part of the proceeds go towards our PAC playground fund.

You can order until Monday, Nov. 8th by visiting <https://www.farmtoschool.ca/shop/products> and selecting **R. F. Morrison as your school**. Orders will be available for pickup at the school at our conference dates. You also have the option of sending orders directly to a variety of charitable organizations, such as Harvest Manitoba to help those in need.

Truth and Reconciliation

In October's newsletter we meant to include an update on the memorial held at our circle garden after the discovery of 215 remains in Kamloops, BC.

Last June we asked RFM families to participate in a memorial to children who passed away in residential schools by placing a pair of shoes at our circle garden and taking a moment of remembrance.

This was a sad and challenging time for us as Canadians as several mass graves across the country were found on former residential school sites. Many families and community members participated in our memorial, and as a result we had a beautiful display of shoes. At the end of the school year, the shoes were collected and donated to local charities. Both Siloam Mission and the West Central Women's Centre were very happy to receive R.F. Morrison's donation. Thank you to all who participated, and let's continue to remember and to continuously take steps to honour truth and reconciliation with our Indigenous people and history.
