SEPTEMBER 2021

WELCOME BACK

We are very excited to be able to welcome students back to in-person learning for the 2021-2022 school year. Hopefully you've had a relaxing, fun and safe summer. We're sure that many families are also feeling ready for kids to return to school.

Parents and Guardians will have already received a number of emails from the office with important information, such as our Safe Return to School plan, booking orientation meetings, our milk program and more. Email is the main way we share news and information, so please remember to keep your current email on file with the office.

For other general information and our current staff list, we invite you to visit our website and view our Family Handbook. It has all the information you need to know about day-to-day life at R. F. Morrison School.

We continue to ask that if you need to come to the school for any reason, you call ahead and come to the front door. We will meet you at the door to help you.

Collecting Drink Tabs

The Seven Oaks School Division **Tabs Collection Committee** is continuing to collect tabs. Once enough funds have been received from the tabs collected, we will select a student to receive a specialty trike best suited to meet the student's needs. You can support this initiative by collecting your tabs and bringing them to the office to donate!

Playground Updates

After several years of fundraising by our Parent Advisory Council, we are very excited to have a new addition to our playground and the next installment of our Greening Project. In the field behind the Circle Garden, students will find a new natural log play area. The planed, natural logs are not only beautiful, they will be perfect for climbing, balancing, imaginative play and so much more. Our South hard top has also been freshly resurfaced with asphalt and new 4-square courts. Thank you very much to Mr. Pachkowski, our 4-square painter for this beautiful aerial shot of our playground (See next page).

After 3 years of fundraising by our PAC, we are excited to announce the addition of this natural log play structure, located in the field behind our Circle Garden.
