October 11, 2022

Dear Families,

We hope everyone had a happy and healthy Thanksgiving weekend with loved ones. We had great weather to get out and enjoy the colours of our beautiful West St. Paul community.

The school is very busy. We have volleyball practices and games starting at 7:00 AM, at lunch period and ending at 4:30 PM. Cross country running is happening for grade 4/5s during the recess break and during the lunch period for middle years students. Tap, dance and drama clubs are happening on specific days for early years students. Middle Years choir is taking place at lunch breaks on day five. Our many clubs are being very well attended this year.

Upcoming in-service days include Friday, October 21, and November 1.

Tomorrow, October 12, is immunization day for our grade six students and any grade seven or eights who need to catch up on immunizations.

Money to purchase school pictures is due to the office on October 19.

Our Farm to School vegetable fundraiser to support greening our playground is ongoing until November 9. Vegetables will be delivered to the school on parent-teacher conference day, Wednesday November 23.

If ever your child will be absent from school, please phone the office to let us know. There is a school answering machine where you can leave a message at any time.

The front Tyndall Stone façade of the school has been completed and looks fantastic! The roof replacement is ongoing. The footing for the two new portables is complete and we expect the underground electrical work to be completed soon.

Enjoy the fall weather and colour!
