Pre-school activities are offered throughout the day and evening. Come and listen, watch, and see what the students from Seven Oaks' Early, Middle and Senior Years schools can do with the arts!

Arts in the Park continues tomorrow at Kildonan Park and Edmund Partridge School. West St. Paul students (and staff) have been actively involved with singing, dancing, artwork and musical performances. After performing, our students have had the opportunity to view performances from other schools and take in the visual displays throughout the park and Edmund Partridge. Arts in the Park incorporates the artistic works of over 7000 students in the Seven Oaks School Division. The weather has cooperated well and we are looking forward to another great day tomorrow.

PHYS. ED NEWS

Early Years Events

- ◆ We had an amazing turn out of cross country runners who participated in practices and then at the Divisional run at Little Mountain Park. Boy was it cold! Everyone worked at improving their time and placement from the fall. Everyone did! CONGRATULATIONS.
- ◆ We had our School Track and Field meet on May 17th. Everyone participated in every event. It was a beautiful day and we had a great turn out. Thanks to Mr. Bencharski's class for providing the leadership on that day.
- ◆ Based on the results of our school meet 48 students will be representing our school at the Seven Oaks Division Track and Field Meet on June 8th at WKC. Rain date is June 10.

- ◆ On June 23 all Early Years students will be participating in the Tabloid Day at our school. There will be several stations set up around the field with a variety of fun activities for everyone to participate in.

Middle Years Events

- ◆ Our Track & Field Club is participating in the Divisional Track and Field Meet at West Kildonan Collegiate on June 9th.
- ◆ Some of our students will be attending the Provincial Track Meet at the U of M on June 8th.
- ◆ Our Marathon Club has been preparing to participate in the Manitoba Marathon on Father's Day.
- ◆ Three teams will be participating in the Divisional Slo-Pitch Tournaments. Grade 6 on June 13, Grade 7 on June 14 and Grade 8 on June 16. All tournaments will take place at Garden City Community Centre.
- ◆ All Middle Years students will be participating in two Activity Days at the end of June. June 27 will be at Thunder Mountain at the water slides and June 28 at Bird's Hill Park. Look for information to follow.
- ◆ There were thirteen of our teachers who were honoured for their work with our students in providing extra curricular sports at a Seven Oaks School Division event on May 25th. We thank them for their dedication in offering so many physical activities for our students to be involved in.

30 Hour Famine

On April 8 & 9, twenty seven students and five adults participated in the World Vision 30 Hour Famine. This is a world wide event and takes place in schools and churches all over the world to raise funds for food programs in needy countries. Our group raised over \$1100 in pledges. Thanks to all who supported us.

We did a lot of fun activities while we were not eating. Do you know how much time in your day is spent around preparing and having meals? When you don't have anything to eat, there's a lot more time! We did an activity called Shanty Town. Each group built a home out of cardboard and duct tape. Just when we would be finished, a natural disaster (Mrs. Brown and Mrs. and Mr. Rempel with buckets of water) would come and destroy our home. We had to find our own water, but only one source of water was uncontaminated.

On Saturday, we did a car rally. Thanks to all our drivers! A lot of the clues were around food. It makes you realize that when you are hungry and don't have any money to buy something to eat, it's really hard. One of our favourite clues was going through a MacDonald's drive through and asking for a cheese burger with no cheese and no meat! We got some pretty funny responses.

We also did a bigger and better scavenger hunt. Each group started with a paper clip. The groups had two hours to exchange the paper clip for something bigger and better. All the items had to be freely given and fit in the vehicle you went in. One group came back with a working 32 inch TV. The final items were donated to the Salvation Army.

By the end of the 30 hours, we were pretty tired and cranky. We had a pot luck supper to end.

It was tiring, but lots of fun. We are thankful we have food to eat every day.

PAC

A big thanks to all who attended our two PAC meetings this month. We would like to thank all who come out faithfully to enhance the life of our students here at West St. Paul. A big thanks to Manuela Balmer, Wendy Post and Jen Towers who will be leaving the executive after many years of being on the executive. Our executive for next year will be:

Co-Chairs:	Pearl Tomchuk and Elena Spence
Secretary:	Dana Myrowich
Treasurer:	Shannon and Don Petrie
Hot Lunch:	Candace Katz and Debbie Glatz
Fund Raising:	Wendy Nachtigall, Janina Appendino, Debbie Glatz, Sharon Church

We will be looking at our constitution over the next year and will propose some changes at our next AGM. It is a document that was last looked at ten years ago and needs some updates to mesh with what our current practices are.

In the meantime, please note that next year's meetings will take place on the second **TUESDAY** of every month.

WEST ST. PAUL ECO-FAIR 2011

Hundreds of people converged on the West St. Paul Sunova Center on Wednesday, April 18th to take in the West St. Paul Community Eco-Fair. In attendance were students, parents, grandparents, friends, community members and visitors from other areas of Winnipeg. The West St. Paul mayor and councillors, the MLA and Seven Oaks School Trustee were all in attendance to take in ideas.

On display were dozens of ideas to help reduce one's carbon footprint. Many students were on hand to explain their ideas for making our community and our world a cleaner and greener place in which to live. Some of the projects included bird feeders, reusable snack bags, composting, using rainwater, a recycled cityscape, a futuristic city, reusable water bottles, a solar panel and solar heater. Student works were an amazing set of learning shared with the community.

Commercial displays included Climate Change Connection, East Interlake Conservation District, Lake Friendly, Manitoba Eco-Network, Manitoba Forestry Association, Manitoba Hydro, Norwex, Sunova Credit Union, and Waste Minimization Industries.

Many eco-friendly giveaways were distributed at the eco-fair. These items included reusable grocery bags, light bulbs, poplar trees, pencils made of recycled newspapers and reusable produce bags. Each person left with many ideas of how to reduce their personal impact on our environment.

From the surveys completed at the West St. Paul Community Eco-Fair, three names were drawn as winners of an Earth Machine composter. The winners were: Brody Lubkey, Melissa Mamott and Logan Poloway. Congratulations!

**** COMPOST BINS ARE AVAILABLE FOR PURCHASE UNTIL JUNE 10th FOR \$25. PLEASE CONTACT THE SCHOOL OFFICE IF YOU ARE INTERESTED. ****

UNESCO Student Conference

May 3,4,5 and 6, 60 students from Winnipeg UNESCO schools attended a student conference in Olds, Alberta. There were 200 students from all over Western Canada at the conference and nine other schools from across Canada participated in the morning of video conferences with Justin Trudeau and Jennifer Corliano. They both talked about how every single person can make a difference in the world.

We stayed in the dorms at Olds College. All sessions were held at the Olds High School.

Students from West St. Paul who attended were Alexa T., Duncan I., Nathan K., Grayson T., Hayley W., Lauren L, Sabrina C., Jordan T., Eugenie G., And Tanya S. They were wonderful ambassadors for our school.

UNESCO Trip 2011

The first session I attended at the conference was the African drumming. We started out by telling stories with the beat of our drums and learning about the world and where our teacher was from. We also learned about coloured people and how they've contributed to the world - people like Kobe Bryant, Denzel Washington, Oprah Winfrey, Will Smith and many more were included in his teachings.

In the second session I took, I learned about racism, discrimination and stereotypes. We played a game which was to write down your opinions on the words "third world" and "Islam". The purpose of this was to show how many stereotypes there are in the world, but these words were about a nine year old girl and it was to teach us about what these stereotypes can do to a person. We also played a choice game where they'd ask you a question and you had to either pick, yes, nor or be indecisive about it and explain your choice. Some of the questions were, "Do you think there is more racism in the world now than there was 20 years ago?" and "Do you think you have the power to stop racism?" Everyone had good opinions on why they chose their choice and I think this was my favourite session.

The dorms were really neat, but I don't think I could live without having my own private bathroom and bedroom. I also enjoyed the trips to Saskatoon farm and Head-Smashed-In Buffalo Jump. There was tons of information and the views were amazing! The video conferences were cool and educational. Being able to connect with different people is always fun and I learned quite a lot from listening to Justin Trudeau.

Overall, the trip was amazing! The only part that I didn't like was the extremely long bus ride; but I was happy to be able to come. This trip taught me many things and gave me the opportunity to learn and experience new ideas and viewpoints with kids from around Canada. Meeting new people had to be the best part of the trip for me, and now I have new friends and awesome stories to tell.

~ Alexa

UNESCO Trip Review

On the UNESCO trip, I enjoyed going to the Saskatoon Berry Farm because I got to climb down the huge hill. It was really cool to be at a UNESCO heritage site. I also enjoyed the Head-Smashed-In Buffalo Jump because it gave me a chance to learn about different cultures other than my own. I hope we can get a heritage site here in Manitoba. There might be one at the Manitoba boreal forest. I hope they do. The Diversity Day we participated in was fun. Besides the 200 people from all over attending the conference, all the kids from Olds High School attended that day also. One of my instructors was a very good storyteller.

“TAKING CARE” MUSICAL

This month West St. Paul School put on a play called “**Taking Care**” written by two teachers - Miss Leanne Yeo and Miss Jessica Dilts. The play was also directed by Miss Yeo along, with the help of other staff, such as Ms. Stacy Stockton, Mr. Earl Isaak, Miss Vanessa Burridge, Miss Pat Schur, and Mrs. Cathy Horbas.

This play is about the causes affecting our world and how there are many ways to help make a positive difference. The songs of the play were from **Assignment “Earth”** “What Kids Can Do to Save Planet Earth” and also Update Earth “**Kids Rock the World for the Environment**” - both by Roger Emerson. The songs were performed by the cast and choir taking turns singing songs at times.

Overall, the experience of being in a school play is very Interesting - learning facts you’ve never known and working with other people in our school. I think the school play went smoothly and everyone put in such an effort to make this play happen including the cast, staff, choirs, backstage crew, and also technical crew!

STUDENT VOTE

In the weeks leading up to the Federal Election, West St. Paul students had the opportunity to hear from each of the candidates running in our riding. On May 2nd, we participated in Student Vote, where students had the opportunity to vote in a manner that is similar to the real thing. Not surprisingly, our student vote very much mimicked the results of the "real" election. Thanks to Mr. Bencharski's class for leading this and to Elections Canada for supporting the students in learning about how their vote will indeed count!

Congratulations!

Our sincerest congratulations to **Mr. Calisto** who was recently appointed Vice Principal at Belmont School for the fall of 2011.

Mr. Calisto has been teaching at West St. Paul for twenty years! We thank him for all his amazing work with children and congratulate him on his appointment.

WILL WORK 4 HOME

On April 26th. Manitoba Theatre for Young People presented a play for all Middle Years students called Will Work 4 Home. It was an amazing play. They used video and lots of facts on the screen as they told the personal stories of four homeless people in Winnipeg. One of the actors actually wrote the play and the actors went into the streets and interviewed people about who they are and why they are homeless.

You think about homeless people a lot differently when you hear their individual stories.

SEVEN OAKS
SCHOOL DIVISION

MY camp

Summers should be fun.

At Seven Oaks School Division, we understand. But sitting in front of a screen surfing the net or watching daytime television isn't our idea of a summer vacation.

To that end, the third annual SOSD MY Camp offers a solution to dreaded days when going to the fridge to refuel is the definition of active living.

For 10 weeks this summer, our schools will transform into centres for activity, excitement and innovation – all for students entering Grades 6 through 9 in September.

Come one, come all!

MY Camp - aka Middle Years Camp - has something for everyone. From basketball to hip hop dance, our inclusive programming caters to those with an interest in being active – regardless of skill level or previous experience.

Each session offers a variety of activities led by instructors from the Seven Oaks School Division, at a low student-to-leader ratio. In the intensive sessions, youth spend half the time building their skills in their chosen activity and the other half on a variety of activities to help maximize their fun!

Ideally, participants will cycle through fun-filled workshops each day, selecting the sports and performing arts activities that best suit their individuality, interests and style.

Accessible activities – all summer long!

MY Camp is all about accessibility and inclusion.

In fact, we want it to be nearly impossible for any would-be participant to miss out because of economics or other concerns. We have limited scholarships available for those who qualify and also welcome students of all backgrounds, abilities and activity levels.

Sessions will consist of a variety of different activities. These could include:

Dance
Art
Audio/Visual Tech
Drama
Track and Field
Wrestling
Football
Tennis
Swimming

Basketball
Volleyball
Soccer
Hockey
Combatives
Fitness
Softball
Yoga
Bowling

All sessions are Monday to Friday, 9:00 a.m. to 4:00 p.m. Students are required to bring their own lunch.

MY Camp – The Details

What?

Affordable, accessible activity camps, combining activities from art to sports, plus one-week intensive camps.

Who?

Participants: students entering Grades 6 through 9 in September 2011.

Instructors: coaches, teachers and paraprofessionals from Seven Oaks School Division

When and where?

Three general two-week sessions:

1. July 5-15 (West Kildonan Collegiate)
2. July 18-29 (Garden City Collegiate)
3. August 2-12 (Garden City Collegiate)

Six intensive sessions:

4. Dance Intensive*: July 18-22 (Garden City Collegiate)
5. Soccer Intensive: August 15-19 (Garden City Collegiate)
6. Badminton Intensive: August 15-19 (Garden City Collegiate)
7. Basketball Intensive: August 22-26 (Maples Collegiate)
8. Volleyball Intensive: August 22-26 (Maples Collegiate)
9. Hockey Intensive**: August 29-September 2 (Maples Arena & Community Club)

All sessions are Monday to Friday, 9:00 a.m. to 4:00 p.m.

* The Dance Intensive Session includes Tap, Jazz, Ballet and Hip Hop.

** Full equipment is required for the Hockey Intensive Session.

Why?

Because SOSD students are bright, talented and energetic – our camp offers a safe, fun and high-energy way to spend summer vacation.

What do participants get from MY Camp?

Each student receives days jam-packed with action, adventure and active living. SOSD will also provide customized t-shirts, emblazoned with the MY Camp logo.

What do participants require in order to attend?

Each student must have parental permission and transportation to and from camp each day. For the intensive sessions, equipment may be required. Each student must also bring a lunch and pay the registration fee.

Financial assistance

There are limited financial scholarships available. Please contact Sandee Deck at sandee.deck@7oaks.org or 223.3499 for more information.

Seven Oaks School Division

Community and Activity Begins Here

Seven Oaks School Division is dedicated to making its students more active members of the community – and that means getting them moving and getting them involved.

As a division, we believe every student has the right to get involved and get moving. Our healthy living programming pairs acceptance with activity and encourages each and every student – regardless of ability, skill or socio-economic background – to participate.

Community begins here.
And our community is active, healthy and in motion.
