Sunday, November 16, 2014.**

From the Library...

Another year is almost over and it's been another great one here at West St. Paul's School Library! Book loans from the library are almost finished for another year and there aren't too many that are overdue. The last day for borrowing is June 9th. If your child has anything outstanding from the Library, please send that in as soon as possible. I would like to have all the student accounts cleaned and closed for the year before the school year is over.

Thank you to the volunteers who came out and helped with the book fairs or joined the story time when they came in to visit their child's class. It was wonderful to see you and have you come by!

I wish everyone a wonderful and active summer! Don't forget to do some reading!!

See you in the fall,
Ms. Mathis

Toast For Two

Brenda Tonn, a resource coordinator at Plumas Senior Support Services, suggested a “LET NO ONE BE ALONE WEEK” - bringing people together through a week of visits and communication. In other words, to put an arm around an empty shoulder and to make somebody feel loved.

To support Let No One Be Alone week, some West St. Paul kids from Grades 5-8 walked to Middlechurch Home. We read books and served them juice and toast. We talked and had a great time.

From the Gym...

Spring has been busy with badminton winding up, track and field, cross country and marathon clubs going full swing. The picture is of the Track and Field team. They are participating in both the Divisional and Provincial Track and Field Meets. The Marathon Club is gearing up for participation in the Manitoba Marathon.

Our school Track meet was held at West K. on May 27th. From there, 30 Grade 4 & 5 students participated in the Seven Oaks Divisional meet on Tuesday, June 3.

Grade 6 and 8 Slo Pitch teams are practicing for tournaments next week. Grade 6's on Monday, June 9, Grade 8's Thursday, June 12.

The middle years track and field meet was held on Wednesday, May 21st at the West Kildonan Collegiate track. West St. Paul sent a total of 50 students from grades 6-8 to compete in the full day event. It was an enjoyable time by all students with some ribbons received along with 1st, 2nd and 3rd place finishes in several events.

The middle years 1500m running event was held on the morning of May 23rd. West St. Paul sent 13 students to compete in this event. Students again had an enjoyable time cheering on their friends and classmates as they crossed the finish line.

The Middle Years Provincial Track and Field Championships are being held on Wednesday, June 4th at the University of Manitoba. Students placing top three in the divisional meet were selected to compete at this event. West St. Paul will face some tough competition at this annual event. Good luck to the 15 students from West St. Paul attending this meet.

Middle Years Intramural Information

Indoor soccer intramurals finished in early May. Good games by all teams which finished with a Staff vs. Students game where the Staff won in a grueling 1-0 game decided in the last minute. Students are excited for dodgeball intramurals that began last week at West St. Paul.

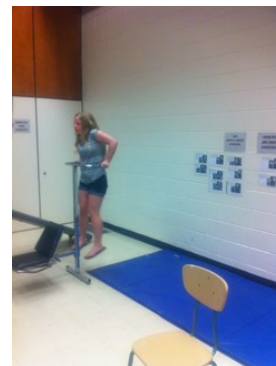

Our K—5 Tabloid Day will be on June 24 from 10:15—2:30. This is a day where students will be in multiage teams to do field games.

Parents/Grandparents and visitors are always welcome.

West St. Paul School Weight Room

At the beginning of the school year, the stage became available as a usable space since the pre-school program now had a permanent home. I had always done weight training with my various non-band groups in my classroom over the past 4 years and had accumulated a lot of weight training equipment from my home. With the addition of a universal gym acquired from another school, there was now enough equipment to create a rudimentary fitness room. With the universal gym, dumbbells, barbells and free weights, I setup a space with areas for each type of exercise and covered the walls with visual aids to target specific muscle groups. The room also has a number of kettle-bells to help students learn multi-functional exercises. The school put in some money to purchase new medicine balls, a curl bar, a squat rack, and another bench. We hope to continually add additional equipment in the years to come such as TRX ropes, dumbbell racks, plyometric boxes, and mirrors on the walls to help students watch their form.

The gym is open on odd number days for grade 7 and 8 students. We usually get 10-12 students every lunch. Students are learning proper form, safety, muscle groups, and overall fitness and health. Next year the room will be open to grade 6 students as well. Currently, there are a dedicated group of students who enjoy learning new exercises and frequenting the room. All gym times are supervised to ensure proper safety rules are being followed and the students are having fun and being safe.

Grade 5 Arts Camp

On Friday May 30th, 2014, 62 kids from West St. Paul School, 65 kids from A.E. Wright School, and 45 kids from Governor Semple School went to Arts Camp at the Canadian Mennonite University. Everyone was from Grade Five. WSP students left school at 9:15 a.m. and the first session started at 10:10 a.m.. We had lunch from 11:30 to 12:15 and then went back to our sessions until sharing time at 1:00. The programs taught included Hip Hop dance, Street Jazz, Graffiti Art, Urban Skylines, Cityscapes, Mask Making, Fiddling, Hand bells, Clowning Around, Musical Theatre, and Bucket Drumming. I hope all Grade Fives get to go next year!

Housework Can Wait

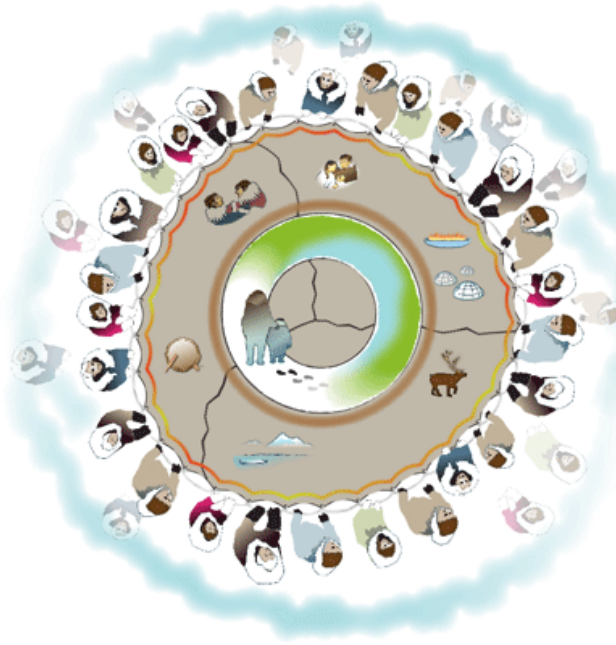

Today I left some dishes dirty.
The bed got made around 3:30.
The diapers soaked a little longer,
The odor grew a little stronger.
The crumbs I spilled the day before
Are staring at me from the floor.
The fingerprints on the wall
Will likely still be there next fall.
The dirty streaks on those windowpanes
Will still be there next time it rains.
"Shame on you" you sit and say,
"And just what have you done today?"
I held a baby 'til he slept.
I held a toddler while she wept.
I played a game of hide and seek.
I squeezed a toy so it would squeak.
I pulled a wagon, sang a song,
Taught a child right from wrong.
What did I do this whole day through?
Not much that shows, I guess it's true.
Unless you think that what I've done
Might be important to someone
With bright shining eyes and soft, sweet hair.
If that is true, I've done my share.
