Our Beliefs: Take care of yourself. Take care of each other. Take care of this place.

CONSTRUCTION COMPLETE!!

Front Entrance

We are pleased that the construction project to make West St. Paul School fully accessible is complete. The construction project began last summer and continued until last month. The project included an elevator, a lift, a new front foyer and a staircase leading down to Red River Hall. The front of the school is a bright, open and welcoming space. The construction was a great learning opportunity for our students as they were able to watch the construction workers as they went about doing their jobs. Because of how and when the construction took place, there was very little disruption to regular school classes and movement of students inside the school.

We are pleased to announce that the school division has approved new capital projects to update the canteen area of Red River Hall and refurbish the terrazzo floors in the school. We expect this work to begin early in the summer.

Balanced School Day Comes to West St. Paul School

The staff of West St. Paul has been researching and discussing the Balanced School Day for the upcoming 2012 – 2013 school year. We had staff do visitations at schools where the Balanced School Day has been implemented and we had a PD Day devoted to the research and implications of what it would mean for our West St. Paul students. At all stages of our discussions and in our PD Day, we have included members of the Parent Advisory Council. After all this discussion, we have decided to implement the Balanced School Day for next fall.

What is the Balanced School Day? Basically, it means that the school day will be divided into three sections (currently we have four)

- Three long instructional blocks
- Two nutrition breaks
- Two outdoor activity blocks

Why would we do this?

- This schedule allows for more instruction time with fewer interruptions.
- The schedule allows for longer lessons to continue without interruption.
- We can structure time in an integrated way while maintaining flexibility.
- Children concentrate and learn better when they eat well.
- The foods eaten during the first break provide the key nutrients for an active day.
- Children are not as hungry at the end of the day.

Research tells us those students who have a more regulated blood sugar level and who eat well:

- Perform better academically.
- Are absent and late less often.
- Function better behaviourally and emotionally.
- Have less anxiety, depression, and hyperactivity.
- Are more ready to learn.

We are looking forward to trying this new schedule in the fall. More information will come in the next two months. We will be putting together a nutrition package for families that will help you consider how food planning can support your students.

DIVISIONAL DANCE DAY AT WEST ST. PAUL SCHOOL

FRIDAY, MAY 11th

West St. Paul School will be hosting the Seven Oaks School Division Dance Day to celebrate the World Day of Dance in Seven Oaks and around the world. There are fifteen groups from around the division coming to share their dancing with each other and with the West St. Paul students. There will be two performances at 9:50 a.m. and 12:00 p.m. The West St. Paul Tap Club will be the first performers in each section. We invite all to attend.

FROM THE GYM...

Middle Years Phys. Ed.

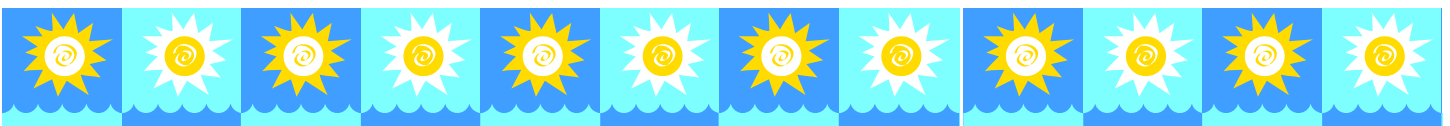

MY Badminton was a success. Now, we start training for Track and Field. Practices are Tuesdays and Thursdays after school, while the Divisional Meet is on May 25 at West Kildonan Collegiate. The Provincial Meet will be held on June 6 at University of Manitoba.

May 31 is the School Day Goldeyes game where 90% of our middle years students will attend. Buses will leave the school at 10:00 a.m. and will return the students for end-of-day buses.

Early Years Phys. Ed.

Our remaining Early Years' special events are:

- ⇒ Divisional Cross Country Meet ~ May 16 (note change of rain date to May 17) at Little Mountain Park. Bus departs at 11:30 a.m. ~ Grades 3-5.
- ⇒ WSP Track & Field ~ May 22 (rain date May 24) at West Kildonan Collegiate (please note that there is no parking available at the school. (Parking is available on the street or at Red River CC) ~ Grades 4 & 5. We will be joined by Riverbend School students, staff and parents.
- ⇒ 7 Oaks Divisional Track & Field ~ June 5 (rain date June 7) at West Kildonan Collegiate (see parking information on previous item) ~ some Grade 4 & 5 students.
- ⇒ Tabloid Activities ~ June 26 a.m. only (rain date June 28) at WSP School.

WEE BE JAMMIN'

Every Thursday evening during the month of April you could find Riverbend and West St. Paul preschool families singing, dancing, playing instruments and having lots of fun as they moved and grooved to the musical talents of Pat Schur, WSP Grade 1 teacher and Sonja Reisdorf, Children's Musical Educator.

Pat and Sonja are very creative when it comes to teaching through music. We hope to bring them back next April.

30 Hour Famine

This year the grade 8 students participated in the 30 Hour Famine. We started at 8 a.m. on Friday, April 27 and ended the fasting at 2 p.m. on Saturday, the 28th. On the Friday we volunteered at three different places that help people who are in need - Siloam Mission, Hope for Humanity and Winnipeg Harvest. At Siloam Mission we helped re-stock clothing, clean buckets and organize the clothing. At Hope for Humanity, we participated in a garage sale and delivered furniture to people's homes. At Winnipeg Harvest, we helped sort the food donations. Throughout Friday and Saturday, we also participated in other activities that helped us learn about what it's like to not have access to food and water. We broke our fasting by having a potluck at the school. The fasting helped us really appreciate the food that we take so for granted everyday. The Famine was a huge success and we raised over \$2700 in donations. The money we raised is going to be sent to World Vision that will help provide proper food and nutrition to people in Africa. Thank you to all the parent and teacher volunteers that helped make the Famine a success.

30 Hour Famine

During the 30 hour famine, one of the activities we did on Friday was "Bigger or Better". The rules for "Bigger or Better" are that you are in groups of about 7 people and you start off with a paper clip. You go around Winnipeg looking for something to trade with anyone who might have something that is bigger or better. You are not allowed to go in West St Paul or Riverbend and you can't go to someone you know. You have a two hour time limit and if you don't make it back in time, your team will be disqualified. There are three winners - biggest item, most valuable item, and most creative item. The winners won a free Slurpee coupon for 7-11.

On Friday night we all went to the gym and we were divided into groups. We had to make a house out of cardboard and tape. We had about 15 minutes to build the houses. Our first objective was to go all around the school in the dark, and look for green and yellow pieces of paper that read 'water'. After the Grade 9 student helpers hid them, they were given a Sharpie marker. They had to try and find us while we were searching for water, and mark an 'x' on our hand. The teachers never told us which colour was contaminated. Each player had to have at least one clean coloured card. If you didn't have enough cards or enough clean cards, you received another 'x' on your hand. When we had 4 X's, we "died" and were eliminated from the game. We had to find as many cards as possible, in order for our team to survive. During the second round, the Grade 9s hid little orange cards around the school, which read 'food'. There was no contaminated food in this round. Each player for each team, again, needed at least one food card. We did one more round, where we had to do food and water. In the final round, we had to sit inside our house, with our family, while the teachers shook the house and tried to tear it down to see if it was strong enough to support us. After that they surprised everybody and threw a big bucket of water at us!! Everybody was in shock, and so annoyed, yet they were laughing. We had to tear our houses down, and throw everything away in the dumpster. The point of the game is to know how people in Africa live and what they have to do to get food and water for their families. It also showed what their houses went through during severe weather storms and droughts.

After that, we played about 3 games of Hide and Go Seek, and then a game which is called Sardines. Sardines is a game similar to Hide and Go Seek, but it is where one person goes and hides, then everybody else has to go and try to find them, and hide with them.

Everybody had to be in their rooms by midnight the girls stayed in Mrs. Rempel's room and the boys stayed in Mr. Bencharski's room. The boys stayed up and played video games all night. The girls stayed up watching *Modern Family* and about an hour of *Shark Night*.

In the morning, everybody got up around 9:00 for the car rally at 10:00. A few girls went to get some water and poured it on Miss Yeo!!! She was sleeping at the time, but she didn't care. After that, everybody started to pour water on each other! At about 10:00, we met up in the gym and got into our groups for the car rally. There are 4 to 8 people in a group. Parents and teachers volunteered to drive. The groups are given a list of things they have to find around Winnipeg. For example, two pit stops were worth 61 points - one was at Polo Park and the other was The Forks. There were about 100 questions. Mr. Rempel went around Winnipeg looking for answers and writing the questions for us to answer. We had a 2-hour period to find as many answers on the paper as we could. If we came late, would be disqualified from the game and points would be taken off.

When everybody came back from the car rally, around 12:10 p.m., we all had free time. The boys went to Mr. Bencharski's room and played video games and the girls watch *Modern Family* and ran around the school playing games.

At about 1:30 p.m. parents came with food for the potluck and that's when everyone started getting hungry! The girls laid in front of the door waiting for exactly 2:00 p.m. to hit so they could eat.

FROM THE BAND ROOM

Nick

Erick & Ben

Hayley, Haley & Analyssa

Our Band students have had a very busy month. The Grade 7 & 8 Band and Jazz Band participated in the Rockwood Festival in Stonewall, Manitoba on April 19th. Mr. Blaine Workman, an esteemed Band Director, was the adjudicator for the day. He was impressed with the great tuning and tone from the group, the wonderful balance and musicality of the group. Comments about the Jazz Band were how the group had a nice tone quality, that they played the unison so well, and that they had a really great Jazz feel for such a young group.

The Grade 6 to 8 groups had a Band Concert on the night of April 30th. All groups played well and really demonstrated how much they have improved in a school year.

Congratulations to all on a wonderful performance.

Payton, Isabella, Tanisha, Maya, Daniela & Meghan

The River East School Wind Ensemble will be performing at our school on Monday, May 28 at 1 p.m.

Mr. Isaak will be the guest soloist with the group performing Gershwin's *Rhapsody in Blue*. All are welcome.

PAC ANNUAL GENERAL MEETING

TUESDAY, MAY 8th 7:00 p.m.

Conversational French Day Camp for 7- to 12-year-olds

The *Tu parles!* program is designed to help your children acquire French speaking skills that can be used inside and outside the classroom.

Our summer program boasts a true French immersion environment, adding summer camp activities to the existing structured language learning. *Tu parles!* offers a healthy mix of classroom time, field trips, outdoor fun and hands-on activities such as arts, crafts, music and games.

Children will be grouped according to their linguistic proficiency. Students with higher levels are encouraged to register for Week 4, when an intermediate level will be offered. A beginner level will also be offered during Week 4 if registration is sufficient.
